- The first book in a new spinoff of the successful *The 500 Hidden Secrets* series
- Explores nostalgic addresses in London where time seems to have stood still

Nostalgic London is the first book in Luster's second spinoff from the successful *The 500 Hidden Secrets* series. Following the *Hidden* guides on regions, there will now also be themed guides, focussing on a specific subject in or a specific side of a city or region.

The first guide in this series will lead you to all the places in London that evoke nostalgia. It's a guide for visitors who aren't looking for the newest trendy places-to-be per se, but who are instead more interested in the places where time seems to have stood still, or addresses with a timeless, classic vibe. Author Ellie Walker-Arnott shares nostalgic addresses and places in London, such as:

- romantic ruins
- traditional tearooms
- iconic department stores
- spots in the footsteps of the Beatles
- and much more.
