- Tips, tricks, and inspiration for creating wonderful spaces in your garden where you can work, play, entertain, and dine
- Includes over 200 prestigious projects worldwide

"If you're lucky enough to have your own outdoor space, what better way to appreciate it than giving it a good makeover? Outdoor Interiors taps into that trend; treat your garden as you would another room and you'll reap the benefits."— **Homes and Interiors Scotland**Outdoor Interiors showcases the most beautiful garden designs in the world. Author Juliet Roberts highlights five styles – 'traditional', 'contemporary', 'playful', 'everyday' and 'minimal' – and gives plenty of tips for achieving the same style in your garden across different categories (dining, sitting, lounge, cooking and swimming). The result is a stylish coffee table book full of inspiration.

British **Juliet Roberts** writes for various media about all kinds of gardens and greenery. She is the author of *The Organic Kitchen Garden*.
