1000 piece puzzle featuring the artwork of acclaimed Los Angeles-based artist Pedro Pedro.

Pedro Pedro paints vividly colored still lifes that look as if each object could suddenly spring from the canvas. His subjects -often bountiful clusters of fruit -are exaggerated in their tone, scale, and perspective, recalling the exuberant fantasies of Peter Saul and the bulbous forms of Fernando Botero. Pedro began working in this bright style after moving from New York City to Los Angeles in 2015, influenced by the more relaxed environment. Pedro has exhibited widely, including solo shows at The Hole, where his 2023 exhibition *Table, Fruits, Flowers and Cakes* explored themes of consumption and restraint. His work has also been featured in group shows including with Anat Ebgi and Nicodim galleries.

Kinstler is a Brooklyn based puzzle company dedicated to highlighting the work of emerging and established contemporary artists. All Kinstler puzzles are made in the US with sustainable materials.
