- Experience daily joy in 2025 with the photo-tear-off-calendar, featuring an instant photo and its unique story every day
- Each calendar page showcases an original-size instant picture on the front side, offering a visual delight for every day of the year
- Flip to the back side of the page for a short text detailing the origin of the photo, along with information about the photographer and the type of photo film used

The photo-tear-off-calendar will delight us again every day in 2025 with an instant photo and its own little story. The front side of the calendar page always presents an instant picture in original size, on the back side is a short text about the origin of the photo as well as information about the photographer and the used film used.
