<b>Name of series</b>	De aedibus
<b>Price</b>	\$49.50

Presents buildings by the Geneva architect Pierre-Alain Dupraz. Text in French and German.

Buildings by the Geneva architect *Pierre-Alain Dupraz* always reveal experimental elements, little inventions that are refined to produce an aesthetic overall result. For instance a villa is developed out of a module of prefabricated garage boxes, or a crèche has underground rooms aligned around a large interior courtyard. Text in German and French.
