- A new book for LEGO® enthusiasts on how to build legendary Porsche 911 models from LEGO®
- The latest addition to the successful LEGO® library written by renowned LEGO® enthusiast Joachim Klang

In this new book, ***Porsche 911: Legends Made of LEGO®***, by Joachim (Joe) Klang, LEGO® enthusiasts can bring sports cars from the legendary Porsche 911 series to life in their own home using their existing collection of LEGO® bricks. With easy to follow step-by-step instructions that illustrate how to build these models from LEGO®, readers can be assured that no details are missed.

Fans of all skill levels can enjoy this latest addition as well as other successful titles from the passionate author including:
Build Your Own Lego Vehicles ISBN 9783868527667
Tips For Kids: Record-Breaking Brick Vehicles ISBN 9783958435513

Porsche models featured include: 911 Klassik, Targa, Carrera, G-Type, Turbo, 991 GT3Rs.

Joachim Klang has been enthusiastic about LEGO® bricks from his early childhood, and has been refining his skills ever since. He is well known within the international LEGO® community for his artistic and experimental use of the colorful brick. Joachim has published 10 best-selling books on how to build individual LEGO® models with the bricks from your home collection.
