Price	$60.00

- Stefan Bogner returns to the Alps again with this illustrated book

After his last book *Escapes,* Stefan Bogner returns to the Alps again with this illustrated book. This time not only did he photograph particular routes, but he looked for the ideal tour through the Alps: 3 countries, 14 passes – the perfect little escape for 4 days.

Different from Bogner s photographs in *Escapes* or *Curves,* where Bogner just presents dreamlike empty streets, ***Porsche Drive*** focuses on the journey in Porsche models such as Porsche 906, Porsche 911, Porsche 918 and more. Stefan Bogner drives his own Porsche 911 1970 ST.

Apart from Bogner's photographs, ***Porsche Drive*** offers information on each route and height profile. Thus you can follow Bogner's itinerary on a long weekend.

Text in English and German.
