**Quartier Brugmann – L'Art de Vivre in Brussels' Most Stylish Area** translates the unique atmosphere of this neighborhood, compared to London's Notting Hill and Paris' Saint-Germain, into a book of three parts:

- A short architectural introduction through the Brugmann district, explaining the origins of the place and the important houses and buildings of the Brugmann square, the Avenue Lepoutre, the Avenue Molière...
- Interviews with 30 Ambassadors who talk about their interest in the neighborhood: why they live and/or work there, which are the addresses they can recommend...
- A walk along the best addresses (galleries, boutiques, restaurants...) of the place Georges Brugmann, the Rue Franz Merjay and the surrounding avenues and streets.

Text in English and French.
