- A journey around the world in 18 exceptional private residences - from Paris to New York - each with an understated yet luxurious style

Quiet Luxury takes you on a journey around the world to 18 truly exceptional private residences, each with an understated yet luxurious style. The exquisite homes featured in this book are set in some of the most sought-after locations including Paris, Madrid, Dubai, Hoogstraten, New York, Melbourne, Stockholm, Athens, Knokke. Beautifully photographed, this book captures the modest but lavish styling along with the exceptional attention to artisan craftsmanship and perfect execution down to the smallest details found in each home.
