500 Piece Puzzle featuring the artwork of Rachel Hayden.

Rachel Hayden's paintings seek order in chaos by puzzle-piecing together a handful of objects into balanced and symmetrical compositions. The artist creates full yet uncluttered canvases where figures float harmoniously in midair without touching. Hayden's work repeatedly depicts different iterations of a small number of natural subjects, such as rainbows and shooting stars—often anthropomorphized with human faces.

Kinstler is a Brooklyn based puzzle company dedicated to highlighting the work of emerging and established contemporary artists. All Kinstler puzzles are made in the US with sustainable materials.
