- Classic Indian folk tale brought to life with an exciting new story and wonderful illustrations

Sought after for his colorful coat, Rajah may be possessed of immense strength, but he is impetuous and careless. He often has to be saved from this scourge by resourceful and brave humbler members of the jungle, such as the squirrel Lil Squi and the jungle mouse Chuhi. They are joined by Hathi, Loombar, Magar and others. Written lyrically with beautiful illustrations,*Rajah: King of the Jungle* is a unique contribution to children's literature. Intended to be read out to younger children, these delectable tales can also be enjoyed by parents and teachers. For older children, the poetic prose is a source of inspiration.
