"… this volume is a true coffee-table book straight out of a picture book." —**Ideat**

Rocked is a luxurious coffee table book that showcases the timeless beauty of natural stone and marble in the most prestigious interiors. Filled with stunning images, it explores how these materials bring strength and elegance to spaces, from minimalist designs to opulent salons. Enriched with in-depth interviews with leading designers and artists, ***Rocked*** offers insight into the craftsmanship and design possibilities of natural stone and marble. A must-have for enthusiasts of high-end interior design.
