The present office in Zurich dates back to the founding of Dolf Schnebli in 1958. Through various constellations, the team has changed to its present form sam architekten with Sacha Menz as the only one of the founding partners. Smaller buildings as well as large buildings of high quality are continuously being created. For example, the delicate Rustico Ronchetti in Brissago, which is subtly integrated into its surroundings, or the school extension in Vals, which radiate a poetic power, or the complex extension of the Swiss Re clubhouse at Mythenquai in Zurich, created in collaboration with artists.
