See Like a Photographer

50 Ways to Take Extraordinary Pictures in Ordinary Places

Rachel Segal Hamilton

ISBN	9781917719698
Publisher	Hoxton Mini Press
Binding	Hardback
Territory	USA & Canada
Size	5.71 in x 8 in
Pages	144 Pages
Price	$19.95

- Includes educational information on 50 prominent photographers and projects inspired by their work
- Beginner-friendly photography tutorials focusing on composition, lighting, and color – no expensive equipment required
- Collectible and giftable book

Extraordinary photographs don't always require extraordinary subjects. Inspired by the work of 50 celebrated photographers, this accessible guide shows you how to look differently at the people, places and objects you encounter every day. Each image sparks a simple creative project, encouraging you to experiment with composition, color, light, collage and more. No expensive kit or far-flung adventures are required. Learn to notice what others overlook and transform the ordinary into something remarkable.

Rachel Segal Hamilton is a writer, editor and educator specializing in photography, creativity and community. Her clients include the Royal Photographic Society, *British Journal of Photography* and Canon. She also leads curated collections on UAL Showcase, University of the Arts London.
