- A beautifully presented volume with 18 new portraits of the homes and workplaces of artists, designers, architects and other creatives from all over the world

This new book is the long-awaited successor to Rendez-Vous and Visite Privee. ***Sense of Style*** showcases artists and creatives who continuously fascinate us – not only because of their creative work, but also because of the inspiring home in which they live and work.

The journey begins in the vibrant heart of New York's Tribeca, and finishes in Stockholm, via Antwerp, Copenhagen, Brussels, Berlin, Long Island, Rio de Janeiro, and Milan.
