- Successor to *Surf & Art* (9789401485098) and *Skate & Art (*9789020927993)
- Twenty two ski artists who define the scene
- From iconic alpine posters to illustrations that make the powder fly off the page

Ski & Art is a visual tribute to the world of skiing, where adrenaline, landscape and creativity come together. In this richly illustrated book, author Katie Bamber explores how ski culture inspires artists – from iconic alpine posters to illustrations that make the powder fly off the page. ***Ski & Art***, the successor to *Surf & Art* and *Skate & Art*, tells the story of a lifestyle shaped by mountain communities, subcultures and a shared love of freedom and expression. Bamber selected the 22 ski artists who define the scene, interviewed them and showcases their finest work. This book is a must-have for anyone fascinated by the cross-over between sports and art, and by the unique magic of the mountains.

Katie Bamber is a British journalist focusing on adventure travel and winter sports, living/spending winters across the Andes, the Rockies, and the Japanese and Austrian Alps. She writes for newspapers such as *The Telegraph*, as well as specialist magazines and sites including *Fall Line Skiing*.
