- A profile of Austrian practice SPS Architekten – Thalgau
- Fully illustrated with approximately 199 images and 95 plans

Simon Speigner is a pioneer of sustainable, energy-efficient building in Austria. His practice sps architekten focuses on creativity and innovative solutions to produce unconventional, customer-orientated buildings that are both aesthetic and sustainable. The practice has won numerous wood-building awards and state prizes, for instance for the oh456 plus-energy office building and cultural power plant in Thalgau.

Text in English and German.
