- Part of Quart's successful, practical and attractive De aedibus series featuring contemporary architects and their buildings
- This title presents Geneva architectural couple Kristina Sylla Widmann and Marc Widmann
- Exploring their designs of school, residential and administrative buildings

Powerful, memorable architecture in response to diverse conditions and briefs, conceived and developed by the Geneva architectural couple Kristina Sylla Widmann and Marc Widmann: this volume presents five school buildings and facilities with a high architectural quality, as well as several outstanding residential and administrative buildings. Text in English and German.
