- This lavishly illustrated guide to highly collectable Thai Silverware and Nielloware. With over 400 photographs this stunning guide is both essential for the collector as well as the newcomer to these beautiful objects

Thai silver and Nielloware display exquisite craftsmanship and design that rivals better-known genres of silver from Asia. However, there has to date been little written about this fascinating subject. Examining the history and scope of specified Thai silver and Nielloware production dating from the early 19th century to the present, as well as the various forms and designs utilised, long-term collector Paul Bromberg provides a single reference source for both newcomers and seasoned collectors alike.
