- Paola Navone has won many prestigious design awards including the Osaka International Design Award and has created collections for major brands like Crate & Barrel and Anthropologie

Tham ma da Thai for everyday is exactly Italian architect and designer Paola Navone s approach: translating the ordinary into the surprising. Her global travels especially in India and Africa inform her work, whether residences in France and Italy, the Metropolitan Hotel by Como in Miami, or the Rooftop Bar in Chicago. She has also partnered with major brands such as Anthropologie, Crate & Barrel, Alessi, Gervasoni, Baxter, and Cappellini. Navone s work is widely covered in international publications, including Dwell, Interior Design Magazine, Elle Décor, Surface, and Food & Wine, among others. Her blend of colors, materials and motifs is playful yet sophisticated; fresh yet dignified and always a revelation

Spencer Bailey is the editor-in-chief at Surface magazine. He has interviewed dozens of leaders in design and is the moderator of the Design Dialogues series of live talks. Previously, he has contributed to the New York Times Magazine and Bloomberg Businessweek, and worked at The Daily Beast, Vanity Fair, and Esquire.
