- France plays a central role in FIA World Endurance Championship (WEC) through Le Mans, but also through its endurance racing culture, teams, drivers, and a motorsport tradition that spans generations
- Whether you follow circuit racing, rallying, touring car series, or even truck racing, ***The Art of Endurance 2025*** appeals to anyone who loves cars, competition, and the living history of motoring

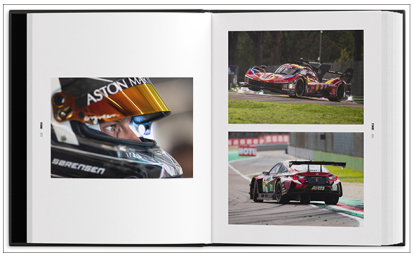

With ***The Art of Endurance 2025***, Éditions Cercle d'Art is publishing a new, exceptional coffee table book dedicated to international motor racing and the FIA World Endurance Championship. This 2025 edition follows on from *The Art of Endurance 2024* ISBN 9782702211458 and continues a collection for all enthusiasts of motor sports, competition cars, legendary circuits, and major endurance races.

Designed as a total immersion in a complete season, this official WEC book recounts, race by race, the eight major events on the world calendar, from the start to the checkered flag, including the strategies, drivers, cars, teams, and decisions that tip the balance of a championship.

Text in English and French.

For this 1972 edition, a key season in many respects, contributions were invited from **Alain Pernot**, an independent journalist and motorsport expert who knows how to share his exhaustive knowledge with all the passion that drives him to collect it. He is the author of several books about Formula 1 and Le Mans.
