- Through its editorial approach, the richness of its imagery, and the quality of its production, this project appeals equally to enthusiasts of exceptional cars and to the international audience for illustrated coffee-table books
- This book is an immersion among the world's most iconic and rare cars, some of which have never before been photographed

The Art of Endurance 2026 is the official book of the FIA World Endurance Championship, an essential bilingual annual publication, and a mark of reliability, legitimacy and credibility for all endurance racing enthusiasts. Produced in collaboration with the DPPI agency, the book brings together spectacular, exclusive photographs, offering an exceptional visual immersion into the heart of the competition. It covers the entire championship through 8 legendary races, from Qatar to Bahrain, with a major focus on the iconic 24 Hours of Le Mans, the absolute pillar of motor endurance racing. Blending mechanical performance, human stories and visual aesthetics, this book pays tribute to the legends of motorsport and to the spirit of endurance.

Text in English and French.

As a motorsport journalist for more than 20 years, **Alain Pernot** travels to racing circuits around the world to give readers insight into both the achievements and behind-the-scenes world of a sport that is as complex as it is fascinating. Already the author of several books dedicated to the history of Formula One, he also contributed to the narratives accompanying DPPI's images in the books*Car Racing 1968, Car Racing 1969*, and *Car Racing 1970*. He also collaborates with Cercle d'Art on the *The Art of Endurance* collection, of which two volumes were already published in 2024 and 2025.
