- Dive into 366 absolute gems from the last four decades of hip-hop and rap, carefully selected from DJ MAD's extensive vinyl collection
- Explore not only well-known US classics but also tracks from French, English, and German artists, offering a diverse and eclectic mix of music
- With the printed Spotify Codes, you can "listen" to any album immediately

After the great success of the first issue, we are now following up with the eagerly awaited Volume II. Guido Weiß alias DJ MAD from the ABSOLUTE BEGINNER has fished out 366 absolute gems from the last four decades from his extensive and well-stocked vinyl collection for this fine hip-hop and rap tear-off calendar.

In addition to the well-known US classics, there are also many French, English and German artists. An absolute must for all B-boys and girls out there! And of course, many albums can be played immediately using the printed SPOTIFY codes.
