- A very special Best-Of Collection of Jazz cover art
- With the printed Spotify Codes, you can "listen" to any album immediately
- The ultimate opportunity to test your genre knowledge and to discover your tomorrows next favorite album
- Featuring every cover artist – a must-have for research and inspiration
- Combining the feel of a traditional print product with a touch of digital modernism
- Tear-Off-Calendar with attached easel stand

The 365 most legendary Jazz classics in one calendar.

Vinyl records and record stores are currently experiencing a revival and with this, the artistically designed covers of the past decades are coming back to us and present us with an inspiring way of real music and design history.

For the perpetual tear-off calendar, we have selected 365 of the most legendary jazz covers from the past four decades. An absolute must-have for all vinyl jazz lovers!

And the best: with the printed Spotify Codes, every album can be listened to immediately and anywhere.
