- The world's first tear-off calendar features 365 vinyl covers from both well-known and obscure musicians across all genres, offering a diverse collection of classics and hidden gems
- Daily Music Inspiration: Enjoy daily doses of music inspiration and graphic delight as you tear off each page to reveal a new vinyl cover
- Each page includes the names of the cover photographers, illustrators, and art directors, acknowledging their contributions to the visual artistry of the album covers
- With cardboard back stand

No compromises! The new edition of the cult calendar now with 100% finest and pure punk!

After the success of Volume 1, it's back – more radical, more raw and consistently punk orientated. This daily tear-off calendar presents 365 iconic punk vinyl covers from all over the world! But this time without a detour into the new wave scene. A piece of music history every day, with information on bands, labels and releases.

Perfect for punk fans, vinyl lovers and anyone who wants to live the rebellious spirit in every-day life. An indispensable highlight for your desk or wall!
