Price	\$55.00

This annual bulletin offers a behind the scenes glimpse into the current work of curators, conservators and scientists at the British Museum.

This bulletin, the third in an annual series which Archetype Publications produces in association with the British Museum, offers a new forum in which to showcase a dynamic behind-the-scenes glimpse of the current work of curators, conservators and scientists, conducted on a range of artefacts and materials across the collections at the British Museum. **Also available:**
