Name of series	The British Museum Technical Research Bulletin
Price	\$55.00

Second volume in the new series of technical bulletins from the British Museum.

This bulletin, the second of an annual series which Archetype Publications is publishing in association with the British Museum, offers a new forum to show a dynamic behind-the-scenes glimpse of the current work of curators, conservators and scientists, conducted on a range of artifacts and materials across the collections at the British Museum.
