- A guide to the premier collection of plaster casts of Greek and Roman sculpture in the UK

The Cast Gallery of the Ashmolean Museum contains the premier collection of plaster casts of Greek and Roman sculpture in the UK, formed over more than a century, from 1884 to the present. The collection has recently been re-displayed and integrated with the Museum, and this book is its first complete and illustrated catalogue. It presents 1,000 casts of monuments from all over the ancient world, from 600 BC to AD 500, from small bronzes to iconic monuments such as the Laokoon and the Augustus of Prima Porta.

Contributions by Olympia Bobou and Milena Melfi. **R.R.R. Smith** is the Lincoln Professor of Classical Archaeology & Art at Oxford University.
