- Unique Focus: Explore the lives of extraordinary individuals who passed away too soon, often in spectacular and impactful ways
- Global Artistic Contribution: Illustrated by artists from around the world, each page is a visual and narrative treat
- Diverse Stories: Discover a wide range of figures from different fields and backgrounds, offering a rich tapestry of human achievement and tragedy
- Inspiring Biographies: Each biography provides a brief yet powerful glimpse into the life and legacy of an exceptional individual
- A perpetual, tear-off calendar is packaged in a high-quality box with a hinged lid and a back-stand

They are pioneers in their field, true geniuses, courageous inventors, celebrated stars, fallen heroes, brave fighters, impoverished thinkers, extraordinary sports stars, and exceptional musical talents.

And they all have one thing in common: they died far too young, often in spectacular ways. 365 anniversaries of death, 365 exciting short biographies.

The inspiring perpetual daily calendar is illustrated by artists from all over the world. A must-have for anyone looking for a daily dose of motivation.
