- Over a hundred exquisite works, presenting various fantastical images
- Detailed and lifelike, full of rich imagination, and with bold colors
- Describing a unique spiritual world exclusive to the Chinese people

The culture of Chinese monsters and deities has a long history. Inspired from *Shan Hai Jing* and other ancient books that contain relevant content, this book is a beautiful collection of illustrations that integrates deities, demons and ghosts. It includes over a hundred exquisite works, presenting various fantastical images and stories, and creating a unique spiritual world exclusive to the Chinese people. The author has a rich imagination, uses bold colors, and the works are detailed and lifelike, with wonderful stories. This book is suitable for both painting enthusiasts and illustrators and those who like Chinese mythology.

Huang Xilin (Qianxin) is a contemporary and innovative Chinese illustrator. His works have a unique style, with delicate brushstrokes and bold innovative compositions. He is particularly skilled at ingeniously integrating Chinese traditional cultural elements into modern illustrations, presenting a distinctive artistic charm. His *Twenty-Eight Constellations* series of illustration works have been highly favored and adored by a large number of netizens in China.
