The dahlia, a flower that was once thought of as old-fashioned, has surged in popularity over the past few years due to the development of new varieties and an uptick in appreciation from Royals and celebrities. They appear in a broad spectrum of beautiful colors and eccentric shapes, and thanks to their long flowering time they are garden crop favorites. This inspirational book explores every aspect of the dahlia from its history to its sustainable cultivation.

Katja Staring is a journalist, publicist and nature-lover. On her Instagram page DailyGreenspiration, she posts about sustainable gardening. **Linda van der Slot** and **Marlies Weijers** are the owners of the FAM Flower Farm, an internationally known Dutch plant nursery where dahlia bulbs grow.
