- Discover exceptional hotels in the middle of nature
- Compilation of hotels that combine the power of nature with the sophistication of refined design
- Hotels in every corner of the world, in the most diverse of natural environments
- Large format book with stunning photographs and lots of inspiration for your next journey

For ***The World's Best Nature & Design Hotels***, author Corynne Pless went on a search for hotels all around the world that are defined by the nature that surrounds them, and focus on eye-catching design. This journey leads the reader to unique locations, from unspoilt jungle to grand mountains and even desert landscapes. The hotels in the book let nature speak for itself. The architecture offers a window onto forests, rivers, and mountains. In addition, the hotels are respectful of the natural environment in their policies. Guests can immerse themselves in total tranquillity, while indulging in the design elements that surround them. Dream away with this book full of fantastic photos that will take you to places you didn't even know existed.

Corynne Pless is a Los Angeles-based author specializing in architecture, interiors and travel. She writes for *Architectural Digest*/*Clever*, among others.
