<b>Name of series</b>	Anthologie
<b>Price</b>	\$25.50

- Fully illustrated with 77 images and 17 plans

Tom Munz established his St. Gallen office in 2013. Since then, he has produced a number of extremely high-quality buildings that are always developed with a special interest in structural and tectonic expression. For instance Wohnhaus Holenstein in Romanshorn is a design inspired by Modernism, thriving on the interaction between reserved, beige-stained concrete wall surfaces and wooden window elements to achieve an extremely poetic radiance.

Text in English and German.
