Pages	72 Pages
Illustrations	77 color, 17 b&w
Name of series	Anthologie
Price	$25.50

- Fully illustrated with 77 images and 17 plans

Tom Munz established his St. Gallen office in 2013. Since then, he has produced a number of extremely high-quality buildings that are always developed with a special interest in structural and tectonic expression. For instance Wohnhaus Holzenstein in Romanshorn is a design inspired by Modernism, thriving on the interaction between reserved, beige-stained concrete wall surfaces and wooden window elements to achieve an extremely poetic radiance.

Text in English and German.
