- Features high-end residential projects in Bali, showcasing the island's unique blend of tropical design and cultural heritage
- Wide range of design projects, from self-designed homes to works by top design studios
- Book in luxurious linen, with stunning photographs by photographer and art director Iker Zuniga

Step into the world of tropical residential design with this beautifully curated book. ***Tropical Retreats*** is a visual trip along breathtaking projects that merge the tropical landscape with imaginative and groundbreaking architecture. Through the lens of 12 different designers, the book presents a broad spectrum of design philosophies, styles, and building methods. In doing so, ***Tropical Retreats*** offers a unique perspective on what makes Bali's residential architecture so distinctive. ***Tropical Retreats*** is a source of inspiration for anyone who dreams of a tropical tinged home with a focus on a sense of freedom and soft luxury. Professionals are also sure to find inspiration in the work of designers such as Elora Hardy, Maximilian Jencquel, and Alexis Dornier.

Photographer and art director **Iker Zuniga** lives in Indonesia and specializes in interior photography and travel photography, among others. His work is published in *Architectural Digest, Conde Nast Traveller, Vogue, Elle Decor, Wallpaper* and *Design Anthology*.
