- Thirty-two cards in a slip-lid box, each one detailing a rare sneaker and packed with facts and stats
- The cards can be used to play Quartet or Top Trumps

Stuffed with the rarest adidas®-Originals® models of the '60s, '70s and '80s. The 32 cards in this pack guide you through the 'golden era of sneakers' – a time in the '80s when HipHop, Breakdance and Graffiti made its way to Germany and the term 'sneakers' was unknown.

Along with a fantastic photo, each card also includes the date of release, the retail price, who made it their signature show, where the shoe was made, versions available, and a rarity score.

An absolute must-have for all sneaker-freaks, adidas®-admirers and style-lovers out there. A special piece for every Quartet-fan!
