- Powerful portraits of identical twins reveal unnerving similarities, subtle differences and unbreakable bonds
- Peter Zelewski has a global following and this project has been featured in many media outlets around the world including *Cosmopolitan*, *Vanity Fair*, *The Daily Mail*, *My Modern Met*, *The Guardian* and many others

Award-winning photographer Peter Zelewski has spent years capturing the faces and stories of identical twins. Some inexplicably lost their hearing at the exact same time, others unlock each others' phones with their indistinguishable fingerprints, but perhaps more surprisingly, some don't get on. Appearing alongside personal quotes, these arresting portraits tap into one of the most fascinating of all human relationships.
