A 1000-piece puzzle featuring the artwork of Umar Rashid.

Did the Battle of Malibu actually happen? Probably not. OK, definitely not. But also maybe it did? LA based artist Umar Rashid has given the question a lot of thought and decided that it would be cool if it had happened so for all intents and purposes it did.

And if the Chumash, Tongva, Gabrielino, and other indigenous LA types had in fact gone on to fight the Spanish, armed with a little red Corvette driven by Black Jesus, then, well, we'd have liked to see that. So here it is. It happened.
