- An insider's guide to contemporary Bangkok
- A unique thematic approach
- Fully revised and updated, with new photographs throughout

Bangkok arrests the visitor with a bewildering juxtaposition of old and new, high-tech and impromptu, sacred and profane. While modernizing apace and a myriad outside influences, the Thai capital draws equal vigor from its historical communities, cultural diversity and contemporary urban tribes. Author of *Very Thai* and *Time Out Bangkok*, Philip Cornwel-Smith takes an alternative look at the subcultures of his adopted town in this practical thematic handbook. With the aid of maps, listings and references, the visitor can engage with Bangkok's contradictory character according to their mood or interest.
