<b>Price</b>	\$34.00

- The fifth volume of the *Laboratorium* series spans the space between topics and positions at the institute
- Energy issues, dealing with urban rural areas or working with models are featured

The fifth volume of the *Laboratorium* series spans the space between topics and positions at the institute. The texts deal with various aspects and questions on the subject of the built and perceived space. Energy issues, dealing with urban rural areas or working with models are featured. In addition to content-related topics, the focus is on methods and approaches. Edited by Dieter Geissbühler.

Text in German.
