Binding Hardback

USA & Canada **Territory** Size $9.06 \text{ in} \times 10.51 \text{ in}$

Pages 256 Pages **Price** \$50.00

- The carefully curated selection features 30 modern, architecturally designed homes that are integrated beautifully into the wilderness
- Wild settings include archipelagos, coastal dunes, deserts, forests, jungles, lakes, islands, and alpine regions around the world
- Stunning photography showcases contemporary architecture, natural landscapes, and beautifully designed interiors that frame and highlight the natural surroundings
- Each residence is designed for modern living in remote, rugged locations, where residents can relax with family and friends, and feel protected within the wilderness
