- Brings together the best people stories from the world of Porsche, including artists, musicians, athletes and enthusiasts

The second volume of the XL edition of Christophorus does not focus on the vehicles themselves, but, exceptionally, on their drivers. This book brings together the best people stories from the world of Porsche, including artists, musicians, athletes and enthusiasts. Angelique Kerber, Neo Rauch, Daniel Hope, Patrick Long, the R Group and the oldest Porsche Club in the world are among those featured here. A special issue for enthusiasts, collectors and fans.
