- Inspired by Instagram, the most popular network site of the moment
- The photos are accompanied by inspirational quotes

Instagram is more popular than ever before. Over 80 million new photos are posted daily on this social networking site. How to pick the very best of them? We have done so for you! The funniest pictures of cats, the most surprising places and arty portraits: you will discover them in a beautifully designed, thematic book that also contains inspirational quotes. Also available:*Insta Grammar: Cats* ISBN 9789401436953 *Insta Grammar: Nordic* ISBN 9789401436946

Irene Schampaert is a graphic designer and blogger. She writes about design, colors, patterns, deco, typography and photography.
