- Green is the new black
- Latest in a popular new series documenting the best of Instagram where nature and technology meet
- A fresh appealing contemporary design
- Includes quotes on gardens, greenery, the natural world, and the color green itself

Instagram is a simple, fun and creative way to capture and share photos, videos & messages with friends & family with over 80 million new photos posted daily. *The Insta Grammar* series steers clear of all clichés and shows you the most interesting corners of the best photography inspired by graphic design. Each photo is a hand-picked thematic selection of the best and most inspiring photos Instagram has to offer accompanied by inspirational quotes. Now you can bring the best of Instagram your coffee table, office or share a creative gift with a friend in this beautiful gift book series Bound in a unique 'lay flat' format for optimal viewing pleasure.*Insta Grammar: Green* celebrates all of the ways green colors our lives, from moody forests and desert cacti to still life paintings and abstract photography in this collection of nature favorites from Instagram. Over 100 images are paired with wisdom from Khalil Gibran, Lao Tzu, and Henry David Thoreau. An ideal gift book for the green-thumbed, the nature-lover, outdoor enthusiast or just about anyone for whom green equals life!

Irene Schampaert is a graphic designer and blogger. She writes about design, colors, patterns, deco, typography and photography.
